

AHF Innovation Symposium

FRIDAY 5 MAY 2023

- 07.00-08.00** **BREAKFAST AND REGISTRATION**
- 08.00-08.10** **WELCOME** by Dr. Joel Matta, AHF Founder
- 08.10-08.20** **INTRODUCTION** by Dr. Alexander Sah, AHF President

ACETABULUM AND HIP STABILITY

Moderator: Dr. Joseph Schwab

SESSION

1

- 08.20-08.28** **More version? Less inclination? Where's the best place to put the cup?**
Dr. Moritz Tannast, University of Fribourg
- 08.30-08.38** **How I hit the cup target more reliably each time**
Dr. Ronald W. Hillock, Nevada Orthopedic & Spine Center
- 08.40-08.48** **Understanding the spino-pelvic relationship**
Dr. Friedrich Boettner, Hospital for Special Surgery
- 08.50-08.58** **Technology saves the day! Making the spino-pelvic conundrum simpler**
Andrew Amundson, HipInsight
- 09.00-09.08** **The return of hip resurfacing - through the anterior approach**
Dr. Anthony T. Carter, Hampton Road Orthopedics
Dr. Sharat Kusuma, Exactech
- 09.10-09.18** **Not all dual mobility designs are the same**
Dr. John Masonis, OrthoCarolina
- 09.20-09.28** **Bigger is better, and two is better than one - the case for DM**
Dr. Ken Mathis, UTHealth Houston
- 09.30-09.40** **Point/ Counterpoint: Dual mobility - when is it the right answer?**
Dr. Ken Mathis v. Dr. John Masonis
- 09.40-10.05** **Panel discussion**
Moderator: Dr Joseph Schwab, University of Fribourg

AHF Innovation Symposium

FRIDAY 5 MAY 2023

10.05 -10.30

COFFEE BREAK

FEMORAL TECHNIQUES AND FIXATION

Moderator: Dr. Tania Ferguson

SESSION

2

10.30-10.38

How to optimize leg length and offset restoration with the anterior approach

Dr. Charles Lawrie, Baptist Health South Florida

10.40-10.48

Advanced technology to achieve hip soft tissue balance

Edouard Saget, OrthoGrid

Jonathan Yerasimides, Louisville Hip and Knee Institute

10.50-10.58

Techniques for femoral exposure in primary and revision surgery

Dr. Antony Carter, Hampton Road Orthopedics

11.00-11.08

How to make femoral extraction easier and safer through an anterior approach

Dr. Ronald W. Hillock, Nevada Orthopedic & Spine Center

11.10-11.18

The return of cement - even from the front

Dr. J. Bohannon Mason, OrthoCarolina

11.20-11.30

Making the case for cemented femoral fixation in the US today

Dr. Richard Illgen, University of Wisconsin

11.30-11.40

Point/ Counterpoint: To cement or not to cement? That is the question

Dr. J. Bohannon Mason v. Dr. Richard Illgen

11.40-12.05

Panel discussion

Moderator: Dr. Tania Ferguson, Nashville Hip & Pelvis

12.05-12.50

LUNCH

AHF Innovation Symposium

FRIDAY 5 MAY 2023

12.50 -1.20

KEYNOTE ADDRESS

“Leadership, Disruption, and the Future”

Tim Czartoski, Industry Leader on Sabbatical

UPDATES TO TECHNOLOGIES USED IN 2023

Moderator: Dr. Kristoff Corten

SESSION

3

1.20-1.28

Patient monitoring technologies- what it tells me, and is it the future?

Dr. Eytan M. Debbi, Hospital for Special Surgery

1.30-1.38

Data collection will lead to better outcomes

Dr. Nitin Goyal, Zimmer Biomet

1.40-1.48

Incision approaches and wound management - techniques and technologies that help

Dr. Juan Suarez, Baptist Health South Florida

1.50-1.58

Tools and technique for the bikini incision

Dr. John Masonis, OrthoCarolina

2.00-2.08

How a cannula makes anterior approach THA unique

Dr. Matthew Seidel, HonorHealth Orthopedics

2.10-2.18

The role of negative pressure dressing for primary incisions

Dr. Daniel Allison, Cedars-Sinai Orthopaedics

2.20-2.40

Audience Poll: What's new in your OR for 2023

Moderator: Dr. Charles DeCook, Arthritis & Total Joint Specialists

2.40-3.05

Panel discussion

Moderator: Dr. Kristoff Corten, The European Hip Clinic

3.05-3.20

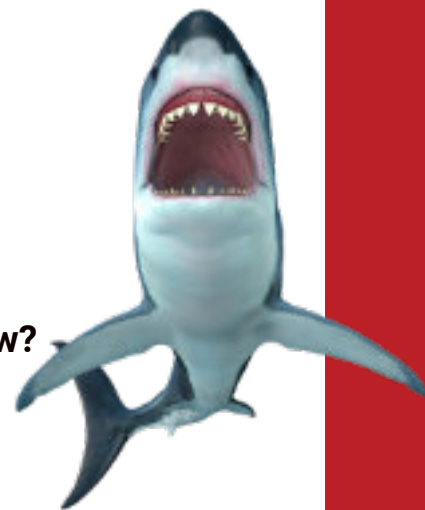

COFFEE BREAK

ORTHO SHARK TANK
Moderator: Dr. Charles DeCook

SESSION 4

3.20-3.30 **2022 SharkTank participants - where are they now?**

3.30-5.20 **SharkTank Presentations**

Our Sharks:

Robert C Cohen
Stryker

Steve White
DePuy Synthes

Dr. Nitin Goyal
Zimmer Biomet

Participants:

• **Derek Edgar**
Metallimax

• **Douglas Fairbanks**
Advanced
Scanners

• **Justin Cobb**
Embody
Orthopaedic

• **Dr. Stephen Cummings**
Signature
Orthopedics

• **Scott Laster**
MiCare Path

• **Ken Stewart & Anya Chambers**
OstAudio

• **Dr. Louay Toma & Shaun Lea**
Kinomatic

• **Dr. David Crawford**
OrthoSurance

• **Jon Greenwald**
Caira Surgical

Voting - panel and audience select the winner

AHF WELCOME RECEPTION
For registered attendees

6.00-8.00

Announcement of Award and SharkTank Winners

7.30 - 8.30

BREAKFAST

ASC CONSIDERATIONS FOR 2023 AND BEYOND

Moderator: Ryan Van Puffelen

SESSION

5

8.30-8.40

ASC versus hospital, which cases belong where?

Dr. Robert Mayle, California Pacific Orthopedics

8.40-8.50

What your current ASC could be doing better

Sarah Cwiak, Compass Surgical Partners

8.50-9.00

Surgeons are athletes: the effect of automated component impaction on surgeons' ergonomics, fatigue and stress in THA

Dr. Kristoff Corten, The European Hip Clinic

9.00-9.10

Time metrics: transparency leads to efficiency

Dr. Charles DeCook, Arthritis & Total Joint Specialists

9.10-9.20

Considerations when choosing an ASC partner today

Alex Bolanos, USPI

9.20-9.30

Using Cuptimize to optimize efficiency in the ASC

Dr. Juan Suarez, Baptist Health Florida

9.30-10.00

Panel Discussion

Moderator: Ryan Van Puffelen, DePuy Synthes

10.00-10.15

COFFEE BREAK

ADVANCING ANTERIOR HIP SURGERY

Moderator: Dr. Joel Matta

SESSION

6

- 10.15-10.25** **Video Spotlight- Primary anterior hip tips and tricks**
Dr. Brian Gladnick, Carrell Clinic
- 10.25-10.35** **Every hip fracture should be done from the front!**
Fractures and hemis through the anterior approach
Dr. Tania Ferguson, Nashville Hip and Pelvis
- 10.35-10.45** **The ultimate soft tissue sparing procedure (USP Hip): how**
to save the lateral circumflex vessel in DAA hip surgery
Dr. Kristoff Corten, The European Hip Clinic
- 10.45-11.05** **Video Spotlight- How I approach revision through the**
anterior approach
Dr. Jonathan Yerasimides, Louisville Hip and Knee Institute
- 11.05-11.15** **Inside-out anterior femoral osteotomy: as little or as much**
as you need
Dr. Thomas Bradbury, Arthritis & Total Joint Specialists
- 11.15-11.25** **You did what through an anterior approach? How to deal**
with complex cases
Dr. Joseph Schwab, University of Fribourg
- 11.25-11.40** **Session 6 Panel Discussion**
Moderator: Dr. Joel Matta, The Steadman Clinic
- 11.40-12.05** **Closing Panel Discussion- The future of anterior hip**
replacement- What's still needed and where are we going?
Moderator: Dr. Joseph Schwab
Panelists: Dr. Joel Matta, Dr. Kristoff Corten, Dr. Juan Suarez,
Dr. Charles DeCook, Dr. Thomas Bradbury
- 12.05-12.10** **WRAP UP AND CLOSING REMARKS**
- 1.00- 4.00** **ADVANCED CADAVER LAB** (prior registration required)
