SEE YOU IN NASHVILLE FOR AHF 2025

The theme for 2025 is "Appetite for Disruption". We're focusing on the latest disruptions in hip surgery and we aim to identify and embrace both minor and major changes rather than avoid them.

Over the years, we've cultivated a close-knit, family-like atmosphere for our events, and this spirit extends to our sponsors.

We believe that it's when industry and surgeons collaborate that the magic happens – so we facilitate this joining of forces to solve the most pressing challenges in hip arthroplasty.

Our events are known for their atmosphere of open minds and innovation where we offer many opportunities for direct, meaningful interactions with our uniquely forward-looking community of engaged surgeons.

As a Sponsor, you will play a pivotal role in shaping the future of orthopedic care

See you in Nashville!
